PECH GROUP HOLDINGS LTD

Technology & Infrastructure Enablers for Africa

1. BRAND OVERVIEW

Mission

Technology and infrastructure enablers for people.

Brand Philosophy

Reliability, quality, and good price for your money — no bad products.

Brand Values

- **Innovation** — Pioneering IoT and smart solutions for Africa
- **Reliability** — Products and services you can depend on
- **Accessibility** — Making technology affordable and available
- **Quality** — No compromises on product standards
- **Community** — Building Africa's tech ecosystem together

2. LOGO USAGE

Primary Logo

- Hexagonal icon shape with blue-to-orange gradient (top to bottom)
- "PECH" wordmark alongside or below the icon
- The hexagonal shape represents technology, connectivity, and structure

Logo Versions

Brand Gradient

- **Direction:** Top to bottom (or left to right)
- **Start:** PECH Sky Blue (#00BFFF)
- **End:** PECH Orange (#F5A623)
- Use sparingly for accent bars, decorative elements, and special features

Color Usage Rules

1. Sky Blue is the dominant brand color — use it for primary headings and key visual elements
2. Orange is the accent color — use it for calls-to-action, highlights, and to draw attention
3. Never use Orange as a background for large areas
4. Maintain sufficient contrast ratio (minimum 4.5:1) for text readability
5. The gradient should only be used for decorative elements, never for text backgrounds

4. TYPOGRAPHY

Caption	Open Sans	11-12pt	Regular	#666666
Small/Legal	Open Sans	9-10pt	Regular	#999999

5. IMAGERY STYLE

Photography Guidelines

- **Modern and clean** — Avoid cluttered or low-quality images
- **African-focused** — Feature African people, landscapes, and settings
- **Technology themes** — IoT devices, solar panels, smart systems, data visualizations
- **Warm lighting** — Align with brand's optimistic and warm tone
- **Authentic** — Use real scenarios over staged stock photos where possible

Image Treatment

- Apply a subtle Sky Blue or Dark overlay (#1B2838 at 60% opacity) for text overlay images
- Round corners (8px radius) for inline images in presentations/web
- Use brand gradient as a border or accent on featured images

Iconography

- Style: Line icons with 2px stroke weight
- Primary color: Sky Blue (#00BFFF)
- Secondary color: Orange (#F5A623) for active/selected states
- Maintain consistent icon size within each context

6. TONE OF VOICE

Attribute	Description	Example
Professional	Competent and knowledgeable, but not stiff	"Our IoT solutions deliver measurable results for businesses across Africa."
Warm	Friendly and approachable, people-first	"We're here to help you power your future."
Innovative	Forward-thinking, solution-oriented	"Reimagining how Africa connects with smart technology."
Trustworthy	Honest, transparent, reliable	"Quality you can count on — that's the PECH promise."

Writing Guidelines

1. Use active voice over passive voice
2. Write in clear, simple language — avoid unnecessary jargon
3. When using technical terms, provide brief explanations
4. Be specific and data-driven where possible
5. Address the reader directly ("you" not "one" or "the customer")
6. Keep sentences concise — aim for 15-20 words per sentence

7. BRAND APPLICATIONS SUMMARY

8. INCORRECT USAGE EXAMPLES

Violation	Why It's Wrong
Using red or green as brand colors	Not in the brand palette
Placing logo on a busy photograph without overlay	Poor visibility and contrast
Using Comic Sans or decorative fonts	Does not align with professional brand image
Stretching the logo to fit a space	Distorts brand identity
Using Orange as a large background color	Orange is an accent color only
Mixing brand blue with different shades of blue	Creates inconsistency
Using low-resolution logo files	Appears unprofessional
Adding shadows or 3D effects to the logo	Violates logo integrity
